## Science 1

Plants vs Animals: What is the same, what is different?		Term: Autumn 1	Year: 3/4 Year B 2022-2023	
<b>Foundations of previous learning:</b> <b>Year 1</b> <b>Plants</b> Identify and name a variety of common wild and garden plants including deciduous and evergreen trees. Identify and describe the basic structure of a variety of common flowering plants including trees.		<b>Foundations of previous learning:</b> <b>Year 2</b> <b>Plants</b> Observe and describe how seeds and bulbs grow into mature plants. Find out and describe how plants need water light and a suitable temperature to grow and stay healthy.		
Unit Learning				
NC Objective - Coverage	Skills	Knowledge	Vocabulary	
<b>Plants</b> <b>Y3</b> Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, & room to grow) & how they vary from plant to plant. Investigate the way in which water is transported within plants.	Begin to use a science model to describe Describe patterns in data, charts & graphs Describe results by linking cause & effect	To understand the conditions plants need to grow. To understand how water gets around the plant.	Grow Seed Bulb Leaf root root hairs stem flower petals pollen eggs fruit	seedling water light temperature nutrients transport
	Assessment of Skills	Assessment of Knowledge		
	Explaining science Designing experiments	What conditions do plants need to grow? How does water get around the plant?		

## Science 2

States of Matter: How can materials change? Is water always wet?		Term: Autumn 2	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> <b>Year 1</b> <b>Everyday Materials</b> Describe the simple physical properties of a variety of everyday materials Compare and group together a variety of everyday materials on the basis of their simple physical properties. Distinguish between an object and the material from which it is made Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock		<b>Foundations of previous learning:</b> <b>Year 2</b> <b>Uses of everyday materials</b> Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.	
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
<b>(Y4) States of Matter</b>  <ul style="list-style-type: none"><li>Compare and group materials together, according to whether they are solids, liquids or gases</li><li>Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C)</li><li>Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.</li></ul>	Use science model to describe Plan a fair test Identify the data range & interval	To compare and group materials. To observe how and at what temperature some materials change state. To understand and explain the water cycle. To explain how a change in temperature cause condensation and evaporation.	States of matter Solid Liquid Gas Particles Water cycle
	<b>Assessment of Skills</b>	<b>Assessment of Knowledge</b>	Evaporation Condensation Freezing Melting
	Explaining science Designing experiments	What is the difference between solids, liquids and gases? How do some materials change state? How does a change in temperature affect states of matter? What is the water cycle? How does a change in temperature cause condensation and evaporation?	State change Melting point Boiling point Temperature

## Geography

Locational and Place Knowledge: What would a bird see?		Term: Autumn	Year: 3/4 Year B 2022-2023
<p><b>Foundations of previous learning:</b>  <b>KS1</b> –Understand geographical similarities and differences through studying the human and physical geography of a small area of the UK and of a small area in a contrasting non-European country.                      Use basic geographical vocabulary: key physical features including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, alley, vegetation, season and weather. Human physical features: city, town, village, factory, farm, house, office, port, harbour and shop.</p>			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
<p><b><u>Geographical skills and fieldwork</u></b>                      Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>	<p>Create a survey to explore human or physical features in the local area.</p> <p>Make a simple scale drawing.</p> <p>Make a simple sketch map of the human and physical features in the local area.</p> <p>Take photographs of the local area to help produce a simple map.</p>	<p>To know what a human and physical feature is.</p> <p>To know some of the human and physical features in Colerne village.</p> <p>To be able to draw a field sketch of the local area.</p> <p>To be able to compare a field sketch with an OS map.</p> <p>To identify human and physical features on an OS map.</p> <p>To use a digital map to explore the local area and add digital photographs.</p>	<p>Human Physical Feature Landscape Village Town Building Land use Green space Housing Amenities Facilities Field sketch Birds' eye view</p>
	Assessment of Skills	Assessment of Knowledge	
	<p>I can identify human and physical features in my local area and make field sketch maps to show their location.</p> <p>I can take photographs of the local area and read OS and digital maps using keys as support.</p>	<p>I can explain how human and physical features make up places and make comparisons between sketch and OS maps.</p>	

## History

Anglo-Saxons : Why is King Alfred remembered as Alfred 'The Great'?		Term: Autumn	Year: 3/4 Year B 2022-2023
<p><b>Foundations of previous learning:</b> A growing understanding of how to organise ideas chronologically including using time specific vocabulary and timelines. Children know how time periods can be identified by the people who lived at the time e.g. Tudors, Egyptians Children have learned about a pharaoh's position and therefore are beginning to understand class systems and hierarchy.</p> <p><b>KS1:</b> Childhood memories, Great Fire of London, Elizabeth I and Georgians</p> <p><b>KS2:</b> Prehistoric Britain, Roman Britain</p>			
Unit Learning			
NC Objective -Coverage	Skills	Knowledge	Vocab
<p>Britain's settlement by the Anglo-Saxons and Scots and the Viking and Anglo-Saxon struggle for the Kingdom of England up to the time of Edward the Confessor.</p>	<p><b>Year 3 Skills</b></p> <p><b>Chronological understanding</b> Uses timelines to place events in order. Understands timeline can be divided into BC and AD. Uses words and phrases: century, decade.</p> <p><b>Knowledge and understanding</b> Uses evidence to describe past. Uses evidence to find out how any of these may have changed during a time period. Describes similarities and differences between people, events and objects.</p> <p><b>Historical interpretation</b> Looks at 2 versions of same event and identifies differences in the accounts.</p> <p><b>Historical enquiry</b> Uses printed sources, the internet, pictures, photos, music, artefacts, historic buildings and visits to collect information about the past. Asks questions such as 'how did people ....? What did people do for ....?'</p> <p><b>Organisation and communication</b> Presents findings about past using speaking, writing, ICT and drawing skills. Discusses different ways of presenting information for different purposes.</p> <p><b>Year 4 Skills</b></p> <p><b>Chronological understanding</b> Uses words and phrases: century, decade, BC, AD, after, before, during. Names and places dates of significant events from past on a timeline.</p> <p><b>Knowledge and understanding</b> Shows knowledge and understanding by describing features of past societies and periods. Identifies some ideas, beliefs, attitudes and experiences of men, women and children from the past. Describes how some of the past events/people affect life today.</p> <p><b>Historical interpretation</b> Gives reasons why there may be different accounts of history.</p> <p><b>Historical enquiry</b> Uses documents, printed sources, the internet, databases, pictures, photos, music, artefacts, historic buildings and visits to collect information about the past.</p> <p><b>Organisation and communication</b> Presents findings about past using speaking, writing, maths (data handling), ICT, drama and drawing skills Discusses most appropriate way to present information, realising that it is for an audience.</p>	<p>I know the meaning of the words century, decade, BC, AD, after, before and during.</p> <p>I know why the Anglo-Saxons invaded Britain after the Romans left.</p> <p>I know how Anglo-Saxon kingdoms were organised.</p> <p>I know about Anglo-Saxon village life and how it was different to life in Roman Britain.</p> <p>I know about Anglo-Saxon laws and justice.</p> <p>I know about the struggle between the Anglo-Saxons and the Vikings for the Kingdom of England.</p> <p>I know about King Alfred the Great and his importance in the Anglo-Saxon resistance to the Vikings.</p> <p>I know that the Anglo-Saxons converted to Christianity and about the important Christian sites in the Kingdom of England.</p>	<p>invasion</p> <p>invaders</p> <p>settlers</p> <p>Jute</p> <p>Angle</p> <p>Saxon</p> <p>rune</p> <p>manuscript</p> <p>chronicles</p> <p>resistance</p> <p>Lindisfarne</p> <p>monastery</p> <p>missionary</p>
	Assessment of Skills	Assessment of Knowledge	
	<p><b>Year 3</b></p> <p>I can place events in order on a timeline. I can use the terms BC and AD when using a timeline.</p> <p><b>Year 4</b></p> <p>I can name and date significant events on a timeline from the period of time I am studying. I can use words and phrases such as century, decade, BC, AD, after, before and during.</p>	<p>Why did the Anglo-Saxons invade Britain? How were Anglo-Saxon kingdoms organised and how did they rule? How was Anglo-Saxon life different to Roman life? Why was there a struggle between the Anglo-Saxons and the Vikings for the rule of England? Who was King Alfred and why is he an important Anglo-Saxon figure? Who converted the Anglo-Saxons to Christianity?</p>	

## Computing 1

Online Safety - Project Evolve <b>Online Relationships</b>		Term: 1/2	Year: 3/4 Year B 2022-2023
Foundations of previous learning: Self-image and identity Health, well-being and lifestyle			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
Pupils should be taught to: <ul style="list-style-type: none"> <li>Use technology safely, respectfully and responsibly</li> <li>Recognise acceptable/unacceptable behaviour</li> <li>Identify a range of ways to report concerns about content and contact</li> <li>Recognise relationships and behaviours that may lead to harm and how positive online interaction can empower and amplify voice.</li> </ul>	<ul style="list-style-type: none"> <li>I can give examples of technology-specific forms of communication (e.g. emojis, memes and GIFs).</li> <li>I can explain that there are some people I communicate with online who may want to do me or my friends harm. I can recognise that this is not my / our fault.</li> </ul>	<ul style="list-style-type: none"> <li>I can explain that there are some people I communicate with online who may want to do me or my friends harm. I can recognise that this is not my / our fault.</li> <li>I can describe some of the ways people may be involved in online communities and describe how they might collaborate constructively with others and make positive contributions. (e.g. gaming communities or social media groups).</li> <li>I can explain how someone can get help if they are having problems and identify when to tell a trusted adult.</li> </ul>	technology emoji meme GIF communicate communication acceptable/unacceptable content online communities social media
	<b>Assessment of Skills</b> <ul style="list-style-type: none"> <li>I can understand that communication online does not have to be text-based.</li> <li>I can understand that a variety of communication methods have been developed specific to online communication eg gifs, memes.</li> <li>I can understand that the appropriate use of technology specific communication eg meme and gifs depends on circumstance and context.</li> </ul>	<b>Assessment of Knowledge</b> <ul style="list-style-type: none"> <li>I can describe what is meant by harm.</li> <li>I understand that not everyone I communicate with online is pleasant and may not have my best intentions at heart</li> <li>I can explain why some people choose to act in a certain way online, that it is their decision and that I am not responsible.</li> <li>I understand some of the difficulties some people may have, including online</li> <li>I can describe what I can do to support others online, both friends and people I know less well</li> <li>I understand how to report problems online and can name a number of reporting routes that I could use or suggest to someone else</li> </ul>	

## Computing 2

Computer Systems and Networks: The Internet		Term: Autumn	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> How can computers talk to each other: school networks (Y3) Computer Systems and Networks - IT Around Us (Y2) Technology Around Us (Y1)			
Unit Learning			
NC Objective - Coverage	Skills & Knowledge	Vocabulary	
<ul style="list-style-type: none"><li>Understand computer networks including the internet; how they can provide multiple services, such as the World Wide Web, and the opportunities they offer for communication and collaboration</li><li>Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content</li><li>Select, use, and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems, and content that accomplish given goals, including collecting, analysing, evaluating, and presenting data and information</li><li>Use technology safely, respectfully, and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.</li></ul>	To describe how networks physically connect to other networks To recognise how networked devices make up the internet To outline how websites can be shared via the World Wide Web (WWW) To describe how content can be added and accessed on the World Wide Web (WWW) To recognise how the content of the WWW is created by people To evaluate the consequences of unreliable content	Network Online World Wide Web Internet Devices Website Webpage Services Media Storage Content Online safety Fake news	
	Assessment of Skills & Knowledge		
	<ul style="list-style-type: none"><li>I can describe the internet as a network of networks</li><li>I can demonstrate how information is shared across the internet</li><li>I can discuss why a network needs protecting</li><li>I can describe networked devices and how they connect</li><li>I can explain that the internet is used to provide many services</li><li>I can recognise that the World Wide Web contains websites and web pages</li><li>I can explain the types of media that can be shared on the WWW</li><li>I can describe where websites are stored when uploaded to the WWW</li><li>I can describe how to access websites on the WWW</li><li>I can explain what media can be found on websites</li><li>I can recognise that I can add content to the WWW</li><li>I can explain that internet services can be used to create content online</li><li>I can explain that websites and their content are created by people</li><li>I can suggest who owns the content on websites</li><li>I can explain that there are rules to protect content</li><li>I can explain that not everything on the World Wide Web is true</li><li>I can explain why some information I find online may not be honest, accurate, or legal</li><li>I can explain why I need to think carefully before I share or re share content</li></ul>		

## PSHE 1

Being Me in My World (Year 4 unit)		Term: Autumn 1	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> <b>Y1</b> - I can explain why my class is a happy and safe place to learn. I can give different examples where I or others make my class happy and safe. <b>Y2</b> - I can explain why my behaviour can impact on other people in my class. I can compare my own and my friends' choices and can express why some choices are better than others. <b>Y3</b> – I can explain how my behaviour can affect how others feel and behave. I can explain why it is important to have rules and how that helps me and others in my class learn. I can explain why it is important to feel valued.			
Unit Learning			
Themes (Puzzle Pieces)	Skills / Knowledge		Vocabulary
Being part of a class team Being a school citizen Rights, responsibilities and democracy Rewards and consequences Group decision making Having a voice What motivates behaviour	I know my attitudes and actions make a difference to the class team I know how to use my Jigsaw Journal I know how good it feels to be included in a group and understand how it feels to be excluded I try to make people feel welcome and valued I understand who is in my school community, the roles they play and how I fit in I can take on a role in a group and contribute to the overall outcome I understand how democracy works through the School Council I can recognise my contribution to making a Learning Charter for the whole school I understand that my actions affect myself and others I care about other people's feelings and try to empathise with them I understand how rewards and consequences motivate people's behaviour I understand how groups come together to make decisions I can take on a role in a group and contribute to the overall outcome I understand how democracy and having a voice benefits the school community I understand why our school community benefits from a Learning Charter and can help others to follow it		Included Excluded Welcome Valued Team Charter Role Job description School Community Responsibility Rights Democracy Reward Consequence Democratic Decisions Voting Authority Learning Charter Contribution Observer Choices UN Convention on Rights of Child
	<b>Assessment</b>		
	<b>Year 3</b> I can explain how my behaviour can affect how others feel and behave. I can explain why it is important to have rules and how that helps me and others in my class learn. I can explain why it is important to feel valued. <b>Year 4</b> I can explain why being listened to and listening to others is important in my school community. I can explain why being democratic is important and can help me and others feel valued.		

## PSHE 2

Celebrating Difference (Year 4 Unit)		Term: Autumn 2	Year: 3/4 Year B 2022-2023
<p>Foundations of previous learning:</p> <p>Y1 - I can tell you some ways that I am different and similar to other people in my class, and why this makes us all special. I can explain what bullying is and how being bullied might make somebody feel.</p> <p>Y2 - I can explain that sometimes people get bullied because they are seen to be different. This might include people who do not conform to gender stereotypes. I can explain how it feels to have a friend and be a friend. I can also explain why it is ok to be different from my friends.</p> <p>Y3 - I can describe different conflicts that might happen in family or friendship groups and how words can be used in hurtful or kind ways when conflicts happen. I can tell you how being involved with a conflict makes me feel and can offer strategies to help the situation. e.g. Solve It Together or asking for help.</p>			
Unit Learning			
Themes (Puzzle Pieces)	Skills / Knowledge		Vocabulary
Challenging assumptions Judging by appearance Accepting self and others Understanding influences Understanding bullying Problem-solving Identifying how special and unique everyone is First impressions	I understand that, sometimes, we make assumptions based on what people look like I try to accept people for who they are I understand what influences me to make assumptions based on how people look I question why I think what I do about other people I know that sometimes bullying is hard to spot and to know what to do if I think bullying is going on but I'm not sure I know how it might feel to be a witness to and a target of bullying I can tell you why witnesses sometimes join in with bullying and sometimes don't tell I can problem-solve a bullying situation with others I can identify what is special about me and to value the ways in which I am unique I like and respect the unique features of my physical appearance I can tell you a time when my first impression of someone changed when I got to know them I can explain why it is good to accept people for who they are		Character Assumption Judgement Surprised Different Appearance Accept Influence Opinion / Impression Attitude Bullying Friend Secret
	<b>Assessment</b>		Deliberate/ On purpose
	<b>Year 3</b> I can describe different conflicts that might happen in family or friendship groups and how words can be used in hurtful or kind ways when conflicts happen. I can tell you how being involved with a conflict makes me feel and can offer strategies to help the situation. e.g. Solve It Together or asking for help.		Bystander Witness Problem-solve Cyber bullying Text message Website
	<b>Year 4</b> I can tell you a time when my first impression of someone changed as I got to know them. I can also explain why bullying might be difficult to spot and what to do about it if I'm not sure. I can explain why it is good to accept myself and others for who we are.		Troll Special Unique Characteristics Physical features

## Design Technology

Who shall we design for? Textiles		Term: Autumn	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> <b>KS 1: Puppets: How can we join two pieces of identical fabric?</b> - that a 3-D textiles product can be assembled from two identical fabric shapes			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
When designing and making, pupils should be taught to: <b>Design:</b> Generate, develop, model and communicate their ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes, pattern pieces and computer-aided design <b>Make:</b> Select from and use a wider range of tools and equipment to perform practical tasks accurately <b>Evaluate:</b> Evaluate their ideas and products against their own design criteria and consider the views of others to improve their work Understand how key events and individuals in design and technology have helped shape the world Technological Knowledge: Understand and use mechanical systems in their products	<b>Year 3</b> <ul style="list-style-type: none"> <li>To investigate a range of cases.</li> <li>To practise and compare sewing stitches.</li> <li>To investigate ways of opening and closing cases.</li> <li>To be able to sew embellishments to a piece of fabric.</li> <li>To be able to design a case for a specific purpose.</li> <li>To be able to make and evaluate a case based on a design.</li> </ul>	To know the features of a case. To practise and compare sewing stitches To investigate ways of opening and closing cases. To design, make and evaluate case.	Purpose Design Product Stitches Running stitch Back stitch Whip stitch Joining Button Popper Toggle Needle Thread Embellishments Evaluate
	Assessment of Skills	Assessment of Knowledge	
	Think about their ideas as they make progress and be willing to change things to improve their work. Explore, develop and communicate design proposals by modelling ideas Develop a clear idea of what has to be done, planning how to use materials, equipment and processes, and suggesting alternative methods of making if the first attempt fails. Join and combine materials and components accurately in temporary and permanent ways.	What is the purpose of a case/bag? How can two pieces of material be joined? How can the bag/case be opened and closed? How can I improve the look of a bag/ case?	

## Art

Textiles: Key question: How can you tell a story through textiles?		Term: Autumn 1	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> <b>FS2:</b> ELG: They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture,  <b>KS1:</b> Textiles - <b>Key question:</b> How can the colour and texture of fabrics be changed? They looked at pattern by weaving; using a dyeing technique to alter a textile's colour and pattern; decorating textiles with glue or stitching, to add colour and detail;			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
Pupils should be taught: To select appropriate materials, giving reasons. To use a variety of techniques, e.g. printing, dyeing, weaving and stitching to create different textural effects. To develop skills in stitching, cutting and joining.  To create sketch books to record observations and use them to review and revisit ideas  To improve mastery of art and design techniques.  To learn about great artists in history.	<ul style="list-style-type: none"> <li>To select appropriate materials, giving reasons.</li> <li>To use a variety of techniques, e.g. printing, dyeing, weaving and stitching to create different textural effects.</li> <li>To develop skills in stitching, cutting and joining.</li> <li>Use key vocabulary to demonstrate knowledge and understanding in this strand.</li> </ul>	To investigate how stories can be told through textiles. To collect visual information to explore ideas. To design a piece of textiles that is meaningful. To use materials to create a piece of textiles. To use finishing techniques to complete a piece of textiles. To be able to evaluate a finished piece of artwork.	Textile Tapestry Stitch Sew Embroidery Quilting Shiny Silky Rough Ridged Running stitch Needle Thread Knot Fabric Glue Sticky tape Safety pins
	<b>Assessment of Skills</b> Collect a variety of visual information and make first hand observations to gather ideas. Use a variety of materials to create a story on textiles. Use a variety of techniques to join and combine materials.	<b>Assessment of Knowledge</b> Explain how textiles has been used in history. To recognise how different textiles/materials can be used in different ways. To use skills in joining and stitching. Develop ideas for textiles design. Create final textiles design and evaluate against a criteria.	

RE 1

Buddhism: The Life of Buddha - Is it possible for everyone to be happy?		Term: Autumn 1	Year: 3/4 Year B 2022-2023
<b>Foundations of previous learning:</b> To be aware that other religions have key figures. To have an awareness of Buddhism as a main religion in England. To understand how faith plays an important part in people's daily life.			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
<b>Is it possible for everyone to be happy?</b> To find out about the life of the Buddha. To explore how he tried to be happy and stay happy.	<u><b>Thinking about religion and belief:</b></u> <ul style="list-style-type: none"> <li>comment on connections between questions, beliefs, values and practices</li> <li>describe similarities and differences within and between religions and beliefs</li> </ul> <u><b>Enquiring, investigating and interpreting:</b></u> <ul style="list-style-type: none"> <li>suggest answers to some questions raised by the study of religions and beliefs</li> </ul> <u><b>Beliefs and teachings (what people believe):</b></u> <ul style="list-style-type: none"> <li>describe the key beliefs and teachings of the religions studied, connecting them accurately with other features of the religions making some comparisons between religions</li> </ul> <u><b>Practices and lifestyle (what people do):</b></u> <ul style="list-style-type: none"> <li>show understanding of the ways of belonging to religions and what these involve</li> </ul> <u><b>Identity and experience (making sense of who we are):</b></u> <ul style="list-style-type: none"> <li>ask questions about the significant experiences of key figures from religions studied and suggest answers from own and others' experiences, including believers</li> </ul> <u><b>Meaning and purpose (making sense of life):</b></u> <ul style="list-style-type: none"> <li>ask questions about puzzling aspects of life and experiences and suggest answers, making reference to the teaching of religions studied</li> </ul> <u><b>Values and commitments (making sense of right and wrong):</b></u> <ul style="list-style-type: none"> <li>ask questions about matters of right and wrong and suggest answers that show understanding of moral and religious issues</li> </ul>	To identify things that bring about happiness. To know where Buddhism started. To know how long ago Buddhism started. To know the story of the Buddha. To understand the symbolism of the Bodhi tree. To know what the 8-fold path means. To understand how living by the 8-fold path will influence choices.	Buddha Bodhi 8-fold path Prince Siddhattha Gautama Yasodhara Rich India Nepal Prince Bodhi tree
	Assessment of Skills	Assessment of Knowledge	
	I can start to show an understanding of why people think it is difficult to be happy all of the time. I can begin to show an understanding of what being happy means to Buddhists.	I can tell you some of the things Siddhattha did to try and be happy and why I think they didn't work for him.	

RE 2

<b>Incarnation: What is the Trinity?</b>		<b>Term: Autumn 2</b>	<b>Year: 3/4 Year B 2022-2023</b>
<b>Foundations of previous learning:</b> FS - UC Incarnation Why do Christians perform Nativity plays at Christmas? Y1/2 – UC – incarnation Why does Christmas matter to Christians? Y1/2 – UC Gospel What is the good news that Jesus brings? Y3/4 People of God What is it like for Christians to follow God?			
<b>Unit Learning</b>			
<b>NC Objective - Coverage</b>	<b>Skills</b>	<b>Knowledge</b>	<b>Vocabulary</b>
To explain why Christians believe God is Trinity.	<ul style="list-style-type: none"> <li>Identify the difference between a 'Gospel', which tells the story of the life and teaching of Jesus, and a letter.</li> <li>Offer suggestions about what texts about baptism and Trinity might mean.</li> <li>Give examples of what these texts mean to some Christians today.</li> <li>Describe how Christians show their beliefs about God the Trinity in worship (in baptism and prayer, for example) and in the way they live.</li> <li>Make links between some Bible texts studied and the idea of God in Christianity, expressing clearly some ideas of their own about what the God of Christianity is like.</li> </ul>	<b>PUPILS WILL KNOW THAT:</b> <ul style="list-style-type: none"> <li>Christians believe God is Trinity: Father, Son and Holy Spirit.</li> <li>Christians believe The Father creates; he sends the Son who saves his people; the Son sends the Holy Spirit to his followers.</li> <li>Christians find that understanding God is challenging; people spend their whole lives learning more and more about God.</li> <li>Christians really want to try to understand God better and so try to describe God using symbols, similes and metaphors, in song, story, poems and art.</li> <li>Christians worship God as Trinity. It is a huge idea to grasp and Christians have created art to help to express this belief.</li> <li>Christians believe the Holy Spirit is God's power at work in the world and in their lives today, enabling them to follow Jesus.</li> </ul>	Trinity Holy Spirit Baptism Incarnation Creator Rescuer Presence Gospel The Grace
	<b>Assessment of Skills</b>	<b>Assessment of Knowledge</b>	
	<ul style="list-style-type: none"> <li>I can identify the difference between a 'Gospel', which tells the story of the life and teaching of Jesus, and a letter.</li> <li>I can offer suggestions about the meaning of texts about baptism and Trinity and give examples of what these texts mean to some Christians today.</li> <li>I can describe how Christians show their beliefs about God the Trinity in worship and in the way they live.</li> <li>I can make links between some Bible texts studied and the idea of God in Christianity, expressing clearly some ideas of my own about what the God of Christianity is like.</li> </ul>	<ul style="list-style-type: none"> <li>How can Christians see God as three in one?</li> <li>How do Christians show their belief that God is the Creator, the Rescuer and the presence in all life today?</li> <li>What difference does belief in the Trinity make to the lives of Christians today?</li> </ul>	

PE 1

Circuit Training		Term: 1	Year: Y3-4 2022-2023
Pupils will have developed fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.			
Circuit Training Year 3			
Unit Learning			
NC Objective - Coverage	Skills	Knowledge	Vocabulary
<p>Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.</p> <p>Pupils should be taught to: use running, jumping, throwing and catching in isolation and in combination; develop flexibility, strength, technique, control and balance; compare their performances with previous ones and demonstrate improvement to achieve their personal best.</p>	<p>To follow instructions and act on advice to complete a set of exercises; To identify the way they feel after exercise; To identify the core muscles and participate in simplified exercises which use these muscles; To participate in a range of simplified exercises; With discussion, set own targets for improvement; To keep score and notice how they are progressing towards their personal targets.</p>	<p>To identify the parts of the upper body and participate in simplified exercises that use their upper body muscles; To identify the parts of the lower body and participate in simplified exercises that use their lower body muscles;</p>	<p>aerobic, anaerobic, energy, oxygen, circuit exercise, upper body/lower body benefit, muscles, bones, physical, mental, core, target, personal best, baseline, improve,</p>
	Assessment of Physical Skills	Assessment of Cognitive Skills	
	<p>Physical - I can use jumping, throwing, running and catching skills alongside strength, flexibility and balance.</p> <ul style="list-style-type: none"> <li>I can link movements and actions together accurately and appropriately.</li> </ul>	<p>Cognitive - I can lead others and act as a respectful team member.</p> <p>Evaluation - I can analyse and discuss the difference between my own and others' performance and suggest ways to improve.</p>	

PE 2

Dance: Plants		Term: Autumn 2	Year: 3/4 Year B 2022-2023
Foundations of previous learning:			
Year 1: Accurately shadow a partner’s movements. Create simple movement patterns, showing awareness of rhythm. Show control and co-ordination when moving or standing still. Perform basic sequences, using space safely and recognising simple technical words. Respond to different stimuli with a range of actions Copy and explore basic body actions demonstrated by the teacher Copy simple movement patterns from each other and explore the movement Choose movements to make into their own phrases with beginnings, middles and ends Practice and repeat their movement phrases and perform them in a controlled way Know where their heart is and understand why it beats faster when exercising Use simple dance vocabulary to describe movement Talk about dance, linking movement to moods, ideas and feelings To identify and show their understanding Assessment: Compose and perform a phrase in dance with a beginning, middle and end		Year 2: Perform some dance moves, showing rhythm and choosing the best movements to show my ideas. Travel with control and co-ordination, copying and repeating sequences which include rolling, travelling, balancing, climbing, stretching and curling. Take part in activities and work with others to complete a task. Talk about different stimuli as the starting point for creating dance phrases and short dances. Explore actions in response to stimuli Explore ideas, moods and feelings by improvising, and by experimenting with actions, dynamics, directions, levels and a growing range Choose movements to make into their own phrases with beginnings, middles and ends Practice and repeat their movement phrases and perform them in a controlled way Know where their heart is and understand why it beats faster when exercising Use simple dance vocabulary to describe movement Talk about dance, linking movement to moods ideas and feelings To identify and show their understanding. To perform as an individual and as part of a team Assessment: Improvise and experiment with actions to explore ideas, moods and feelings in dance.	
Unit Learning			
NC Objective - Coverage	Skills and Knowledge		Vocabulary
Perform dances using a range of movement patterns Compare their performances with previous ones and demonstrate improvement to achieve their personal best	<ul style="list-style-type: none"><li>To explore and create characters and narratives in response to a range of stimuli</li><li>Perform short dances with expression, showing an awareness of others when moving</li><li>To use simple choreographic principles to create motifs and narrative</li><li>To perform more complex dance phrases and dances that communicate character and narrative</li><li>To describe, interpret and evaluate their own and others' dances, taking account of character and narrative</li><li>To know and describe what you need to do to warm up and cool down for dance</li><li>To understand how to adapt their skills and knowledge from previous weeks into a performance situation.</li></ul>		Analyse Evaluate Vary Combine Stimulus Continuity Choreograph Phrases Character Narrative Movement performance
	Assessment		
	Use a range of actions in a dance phrase, varying/combining spatial patterns, speed, tension and continuity.		

## Music

The Dragon Song		Term: Autumn	Year: 3/4 Year B 2022-2023
<p><b>Foundations of previous learning:</b>  <b>Key stage 1:</b> Pupils should be taught to: Use their voices expressively and creatively by singing songs and speaking chants and rhymes; Play tuned and untuned instruments musically; Listen with concentration and understanding to a range of high-quality live and recorded music; Experiment with, create, select and combine sounds using the inter-related dimensions of music.  <b>Year 3/4:</b> Charanga Unit: Glockenspiels 1: Play a variety of classroom instruments, playing glockenspiels as a whole class ensemble; Understand the various music language to describe the musical dimensions of a piece; Listen to music and begin to understand the different musical dimensions running through it.
