

Time Out For Parents - Children with Additional Needs

Are you a parent/carer for a child (or children) with additional needs? This course was written for you!

Come and meet other parents/carers to support, help and encourage each other to share feelings and experiences about your child with additional needs.

Discuss and share ideas that support you to come up with solutions to problems and behaviours that challenge on the basis of what works – not what's meant to work!

(No formal diagnosis required)
