

Midas Gordon-Farleigh

My wife and I moved to Colerne in 2014. For her, it was a return home as she was born in the village and attended Colerne Church of England Primary School as a child.

I started as a Foundation Governor late in 2024. As a family we regularly attend church and meet with local Christians.

I've seen some really great things from the school in the time that our eldest has been a pupil and wanted to play a part in ensuring that the school continues to be the best that it can be. I believe these things don't just happen!

For work I lead a small digital development and marketing team for an international charity, Mission Without Borders, who work in Eastern Europe. I have an eye for data and am always looking for ways to improve things, and I hope to use that to benefit the school while I'm a governor.
