Dear Parents and Carers,

As part of your child's education at Colerne CE Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health, Economic and Citizenship (PSHE&C) education programme which we deliver through lessons and Collective Worship. This gives the young people in our community the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives.

We will be using the *Twinkl PSHE and Citizenship Curriculum* as we feel it is the best fit for our children. It is the right tone, engaging and informing. The DfE has ensured that we as a school, and indeed each class teacher, are equipped to amend the lessons to support and suit each class appropriately. The sequence of the curriculum is being handed over to us, and it has been planned carefully across the two-year rolling programme in the mixed year groups.

The [Parent Overviews](#) for each subject are on the school website and you are able to read exactly what your child will be covering over their year.

There will be some changes to the statutory guidance which will take effect from September 2026. As part of the implementation of this updated curriculum, schools must consult with children, parents, staff and governors to ensure there is a consensus on our approaches to policy and curriculum content.

Colerne CE Primary School will be starting this consultation process on Monday 8th June and the consultation will close on Monday 22nd June 2026.

As part of the consultation, parents, staff and governors are asked to read through the following three documents.

- School PSHE & C POLICY accompanying this email
- RSE Policy accompanying this email
- [DfE RSE September 2026](#)

Once you have read the documents then please click on the link below to access the Google Form we are using to collect your views:
