

## **Dave Jennings**

I have lived in Colerne now for nearly 30 years, arriving whilst still serving in the Royal Signals. My wife is a TA in school and our boys, who are now 32 & 29, both passed through it - albeit a long time ago – (Mark Solomon & Maura Chamberlain were just young teachers then!!) - they both enjoyed their time at Colerne CE Primary School and received a good start to their education and future studies.

I now work at the RUH as a Senior IT and Systems Trainer.

This is my 2<sup>nd</sup> stint on the Governing Body, having served 10 years with 2 previous Heads.
