

## **Maura Chamberlain**

My name is Maura Chamberlain and I am Deputy Head of our school. I have worked at Colerne since 1998, in all year groups. I moved to Colerne when my husband was posted with the RN to Abbeywood, Bristol. I joined our school a few months later and have loved working here ever since. As a mother of two girls, I am proud to say that they both flourished in our fantastic school. They have developed into well-rounded, polite, enthusiastic learners who have benefitted from our wonderful school ethos and the incredible learning environment that it offers.
